Attendance & Punctuality Policy **(in conjunction with Keeping Children Safe in Education)**

Mission, Vision and Culture

At Hillcross we nurture our children to think critically and creatively within a collaborative community.

Our outstanding practice ensures our children meet their full potential, both personally and academically, and provides opportunities for them to develop their unique talents and skills. As a nationally recognized Thinking School, we nurture an empathetic community of creative and critical thinkers. We achieve success for all through our dynamic and ambitious curriculum, inclusive learning, promoting fairness and celebrating diversity. Through our school culture of high aspiration, embracing challenge, acting with compassion, a shared responsibility and by showing respect for all, we aim to develop a resilient school community of compassionate global citizens.

1. Aims & Introduction

Hillcross Primary School recognises the importance of good attendance and the impact it has on children's progress, attainment, enjoyment of learning and relationships within school. Good attendance helps a child to realise their potential and ensure they are motivated, confident and enjoy a diverse range of curricular opportunities and experiences.

2. Legislation and Guidance

This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE). Legislation sets out the legal powers and duties that govern school attendance:

- Section 7 of the Education Act 1996 states that "The parent of every child of compulsory school age shall cause him/her to receive efficient full-time education either by regular attendance at school or otherwise".
- Section 444 (1) of the Education Act 1996 states that "if a child of compulsory school age who is a registered pupil at a school fails to attend regularly at the school his parent is guilty of an offence".

Therefore, regular and punctual attendance at school is a legal requirement. Additionally, regular attendance is essential to enable children to maximise their educational attainment, social development, future opportunities and further development.

- Under Section 576 of the Education Act 1996, for the purposes of Education Law, the definition of a 'parent' and who is responsible for ensuring regular attendance to school is:
 - all biological parents, whether they are married or not . any person who, although not a biological parent, has parental responsibility for a child or young person - this could be an adoptive parent, a step-parent, guardian or other relative . any person who, although not a biological parent and does not have parental responsibility, has care of a child or young person. This could be one parent, both parents and/or carer/s.

3. Roles and Responsibilities

Appendix 1 details the roles & responsibilities of the following stakeholders:

- The governing board
- The Headteacher
- The Senior Teacher responsible for attendance
- The attendance Officer

Hillcross Primary School

- Class teachers
- School Admin Team
- Parents/Carers
- Pupils

4. Recording attendance

4.1 Attendance register

We keep an attendance register and place all pupils onto this register. Registers provide the daily record of attendance of all pupils. They are legal documents and the register may be required in a court of law, for example as evidence in prosecutions for non-attendance in school. **Pupils must arrive in school by 8.45am on each school day.**

We will take our attendance register at the start of the first session of each school day and once during the afternoon session. **The register for the first session will be taken at 8.45am and will be kept open until 9.15am** (please refer to punctuality and lateness section below). The register for the second session will be taken at 12.30pm for EYFS (Nursery and reception); 12.45pm for Year 1 and year 2; 13.05pm for Year 3 and year 5; and 13.20pm for Year 4 and year 6. Afternoon registers will be closed after 10 minutes.

It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

The school will follow up any absences to:

- Ascertain the reason for the absence;
- Ensure the proper safeguarding action is taken;
- Identify whether the absence is approved or not; and,
- Identify the correct code to use before entering it on to the school's electronic register, or management information system as a priority and returned to the school office in a timely manner. This is used to download data to the School Census and is sent daily to the DfE and Local Authority.
- Consider early identification, assessment, intervention and support processes that may need to be implemented.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

The decision to send a child home due to illness or accident must be agreed by the Headteacher or, in her absence, a member of the senior leadership team. Any child who is sent home will be recorded in the on the InVentry system in the main office.

The register is marked using the codes as advised by the Department for Education (DfE) 'School Attendance Guidance for maintained schools, academies, independent schools and local authorities'. **(See Appendix 2 for the DfE attendance codes)**

Hillcross Primary School

4.2 Absence Monitoring

a. Unplanned absence (E.g. illness)

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 9am or as soon as practically possible by calling the school office. Messages should be left on the designated absence line or via the absence section on ParentMail – not on the general school answerphone. Please ensure that you speak clearly, stating your child's name and class and provide the reason for your child's absence avoiding using words like "sick" or "unwell." Please be specific with the reason for the absence to ensure that we can complete our registers accurately.

- We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.
- If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.
- Where a child's absence falls below 90%, or where there is a pattern of absence, medical evidence may be requested.
- If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this.

b. Planned absence

We encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary. Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment. Evidence of appointments (e.g. letter/appointment card) may be requested.

Other types of term-time absences should be requested as far in advance as possible by the pupil's parent/carer. Section 5 details which term-time absences the school can authorise.

c. Lateness and punctuality

School officially begins at 8.45am (although we operate a 'rolling' start from 8.30am for nursery children and 8.35am for all other children). **Pupils must arrive in school by 8.45am on each school day** for registration at that time.

- o **Register taken at 8.45am**
- o **Registers close 9.15am**

Any child who arrives after 8.45am must enter the school by the main gate at The Ashridge Way entrance and report to the school office for parents to sign in. If pupils are not in class when the register is taken, they will be coded as 'L'. Any late arrivals after 9.15am will be coded as 'U' which is an unauthorised absence for that session.

In accordance with the 'Education (Pupil Registration) (England) Regulations 2006', if your child arrives after the registers close, they will receive a mark, code U, that shows them to be on site, but this will **not count** as a present mark and it **will mean they have an unauthorised absence**. This may mean that you could face the possibility of a Penalty Notice or other legal action if the problem persists.

It is of paramount importance that all children arrive on time for school each day in order for them to make the best possible progress in terms of learning and all round development. Pupils who arrive late miss the teacher's instruction to the class on the morning's work, miss messages or information relating to the whole

Hillcross Primary School

class, and have less time to complete their work. **Children who are consistently late for school are disrupting not only their own education, but also that of other children.** Where persistent lateness gives cause for concern, you will be invited to a meeting to resolve the issues. If there is no improvement following this meeting, further action will be taken which may include referral to external agencies.

You may approach the school at any time for support and advice if you are having difficulty getting your child to school on time or maintaining regular attendance.

d. Late Collection of children after school

- **School ends at 3.00pm for Reception-Year 6 children.** When a child is collected late from school, it is distressing for them and unfair on the staff member who has their own personal or professional commitments disrupted.
- As per Local Authority guidelines for schools where no after school child care provision is offered - after 1 hour if it has not been possible to contact a parent /carer/emergency contact, then we will contact our Safer Neighbourhood Police Officer, or Mitcham Police Station.
- If a child is not collected from school promptly and contact has not been made by the parent/guardian with a valid reason, we will charge the child's ParentMail account for childcare. **Parents may be charged £10 per half hour (or part thereof) for late collection of children.** Records are kept of the time a child is collected. Where necessary, these will be submitted as evidence for the EWO (Education Welfare Officer).

e. Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call or email the parent/carer on the morning of the first day of unexplained absence to ascertain the reason.
- If we do not receive a response, we will attempt to contact the pupil's parent/carer again on the afternoon of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may make a referral to support services or social care to ensure the child is safe.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it in the register as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer, early help, the school nurse, social services or to other agencies.

Children Missing Education can be an indicator that a child's welfare is at risk. To safeguard pupils who are missing education, Hillcross Primary School will ensure compliance with local authority policy and procedures for Children Missing Education.

- If the absence exceeds 5 consecutive days and no reason has been provided for the absence, the school will write to the last known address and seek guidance from the Education Welfare Officer
- If the absence exceeds 10 consecutive days and no reason has been provided for the absence, the school will inform the Local Authority
- Any child who has been missing for more than 20 days will be added to the Authorities Children Missing Education Panel by the Education Welfare Officer or the school where no referral has been made.

Hillcross Primary School

Children Missing Education statutory guidance for Local Authorities (September 2016) and the most recent version of Keeping Children Safe in Education guidance places a statutory duty on schools to collect information during the admissions procedure and again when the child is leaving the school.

5. Authorised and unauthorised absence

The parent offers an explanation for the reason for absence. The law allows the Headteacher to determine if the absence will be authorised or unauthorised.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments (see section 4.2)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Approved leave in exceptional circumstances (See Appendix 3)

5.1 Approval for term-time absence – Application for Exceptional Circumstances (See Appendix 3)

The Governors of Hillcross Primary School believe that leave of absence during term time should be avoided as it can have a damaging effect on a pupil's education and overall achievement.

In September 2013, amendments to the Education (Pupil Registration) (England) Regulations 2006, made it clear that Head Teachers may not grant any Leave of Absence (holiday) during term time unless there are "**exceptional circumstances**".

If parents/carers need to request Exceptional Leave of Absence, they must complete an 'Exceptional Leave of Absence Request' form available from the school website and as an Appendix to this policy.

1. Parents must request leave for exceptional circumstances as far in advance as possible.
2. The request should be made in writing using the leave of absence form which is available from the school office (see also **Appendix 3**). Verbal requests will not be accepted.
3. The form must include the reason why it is necessary to take a leave of absence. This may include any extenuating or compassionate reasons **and must also include evidence of circumstances**, such as a medical certificate or letter from employers to support the request.
4. On receipt of an application for leave on the appropriate form, together with any supporting documentation, consideration will be given by the Headteacher. A decision will then be given to the parents within 7 days.
5. Any leave of absence that is not authorised is very likely to result in a Penalty Notice being issued by the London Borough of Merton. The Penalty Notice currently carries a fine of £120 per parent, per child. If you plan to take leave of absence that will not be authorised, we recommend that you make an appointment to meet with the Headteacher prior to travel.

It should be noted that if any application is declined and absence occurs of a consecutive 5 or more unauthorised days, or 10 sessions, then school will apply to the Local Authority for a Penalty Notice to be issued to each parent/carer.

The Head Teacher will determine what constitutes an exceptional circumstance on an individual basis. The following may not be deemed to be exceptional circumstances:

- Family holiday
- Visiting relatives who live abroad
- Availability of less expensive holiday

Hillcross Primary School

- Availability of holiday accommodation
- Parent/carer's working commitments
- Holiday pre-booked by another family member
- Study leave for grammar school exams
- Birthday treat.

This is not an exhaustive list and the school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. The headteacher may require evidence to support any request for leave of absence.

An absence may be coded as 'unauthorised' if:

- no reason for absence has been given
- the reason given for absence by the parent is not acceptable and the school do not agree that the child should be absent.
- medical evidence is not received when requested
- a request for exceptional leave of absence has been unauthorised
- a pupil arrives at school after registration has closed at 9.15am

Parents/carers should be aware that Hillcross Primary School may contact the Local Authority if a pupil has 10 or more unauthorised absences in the current term with a view to issuing a Penalty Notice or other legal action. The Penalty Notice is issued individually to each parent/carer who fails to ensure their child's regular attendance at school. The Penalty is £60 per parent/carer per child. Non-payment of the Penalty Notice may result in prosecution in the Magistrates court.

A child's absence during term time seriously disrupts their continuity of learning. Not only do they miss the teaching on the days they are away but they are less prepared for the lessons building on from that teaching when they return to school. There is a consequent risk of under achievement, which we must work together in order to avoid.

The Governing Body is responsible for ensuring any attendance issues are dealt with in line with school policy.

6. Working in partnership with Parents/ Carers

Building respectful relationships with families and working in collaboration is essential to ensuring the best outcomes for children. We require all parents to actively support the work of the school, including promoting attendance and engagement. The school is committed to ensuring that systems and processes are in place with regards to promoting attendance and would encourage parents to make contact if they have concerns about their child.

It is pertinent that school and parents/carers work together with a shared plan and outcomes when supporting a child's attendance and wellbeing. If, despite persistent attempts to work with parents, there continues to be a lack of engagement, then legal procedures may be followed to secure engagement and school attendance.

6.1 Reporting to parents/carers formally

The school will inform parents about their child's attendance and absence levels in the end of year reports and verbally in parents' meetings each term.

6.2 Pupil and Class Attendance Awards

Hillcross Primary School

In line with our behaviour policy we recognize achievement related to attendance through the use of intrinsic motivation rather than tangible rewards. Children are regularly reminded that good attendance helps them to realise their potential and ensure they enjoy a diverse range of curricular opportunities and experiences. Their collaborative efforts are celebrated through shared rewards in the form of house points.

6.3 Supporting Pupils

We recognise that some pupils may have attendance problems that could be caused by a variety of factors which may include chronic illness; anxiety; family issues etc. We aim to support pupils in a variety of ways including:

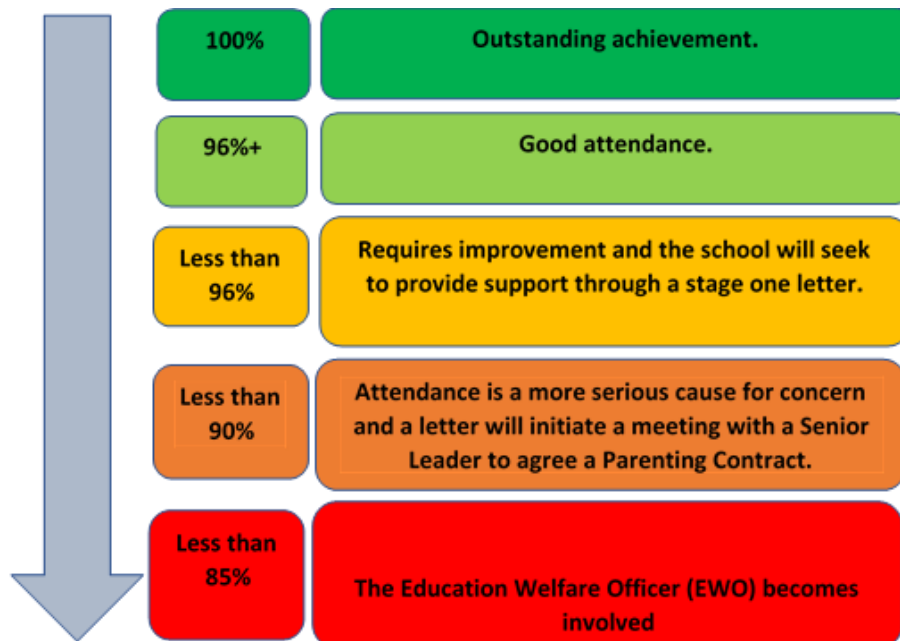

- Interviews with parents or carers
- Pastoral Support Programmes
- Individual Support Programmes.
- Referral to a range of external agencies

6.4 Parenting Contracts

A parenting contract is a formal written agreement with the School, Parent(s), Pupil(s), and School's Education Welfare Officer (EWO). Parenting Contracts should be in place for a minimum of 3 months and a maximum of 12 months.

The aim is to offer support by listening to the reasons for absence and difficulties that prevent regular school attendance during a meeting with the Parents, Child, School staff and EWO. Once background information has been collected, an action plan to address the poor school attendance of the pupil with realistic achievable targets to be made within a reasonable time scale will be agreed. (See Appendix 5 for a sample parent contract)

The table below sets out the attendance targets and at what stage parents/carers will be contacted about their child's attendance.

See Appendix 4 for further breakdown of missed sessions.

6.5 Legal sanctions

Hillcross Primary School

The Local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age. If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police. The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where a pupil is suspended or excluded and is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

6.6 If your child is leaving Hillcross Primary School

We are required by law (Children Missing Education Guidance 2016) to tell the Local Authority about every pupil who leaves the school. Parents must complete a leavers form if their child is moving out of the borough of Merton and will no longer be attending the school, or if they are leaving the country - see **Appendix 6**.

Monitoring and Evaluation

The Headteacher and Attendance Officer work closely with the Educational Welfare Officer to ensure that all children attend school regularly and arrive on time.

The Headteacher reports to the Governing Body on a termly basis about the attendance of children in the school via the Standards, Teaching and Learning Committee.

The Safeguarding Governors discuss and monitor attendance records on a termly basis as part of their Safeguarding visit to school.

Equality Impact Assessment

Under the Equality Act 2010 we have a duty not to discriminate against people on the basis of their age, disability, gender, gender identity, pregnancy or maternity, race, religion or belief and sexual orientation. We are committed to treating all members of the school community fairly and challenging negative attitudes about disability and accessibility and to developing a culture of awareness, tolerance and inclusion. This policy has been equality impact assessed and we believe that it is in line with the Equality Act 2010 as it is fair, it does not prioritise or disadvantage any member of the school community and it helps to promote equality and accessibility at our school. The curriculum is planned to be inclusive and meet the needs and interests of a full range of learners. Activities and resources will be differentiated and adult support used to ensure that children access the curriculum and make the best possible progress.

Safeguarding Commitment

The school is committed to safeguarding and promoting the welfare of children, in line with the most recent version of Keeping Children Safe in Education and expects all staff and volunteers to share this commitment. We take seriously our duty of care to our pupils and staff which includes safeguarding them from the risk of being drawn into terrorism - this includes not just violent extremism but also non-violent extremism, which can create an atmosphere conducive to terrorism and can popularise views which terrorists exploit. We work closely with social care, the police, health services and other services to promote the welfare of children and protect them from harm. Radicalisation is recognised as a specific safeguarding issue and is addressed in line with the Government Prevent Strategy and The Counter-Terrorism and Security Act 2015.

Appendix 3 - Hillcross Primary School – Exceptional Leave of Absence Form

LONDON BOROUGH OF MERTON

Request for Leave of Absence for exceptional circumstances during Term Time

It is not advisable to take your child/ren on a leave of absence during term time as this causes disruption to their education. Schools must follow the law in this regard and may only grant leave in exceptional circumstances if certain criteria are fulfilled.

The Pupil Registration Regulations (England) 2006 and the Education (Pupil Registration) (England) (Amendment) Regulations 2013

- **Leave of Absence in exceptional circumstances is authorised at the discretion of the Head Teacher.** (This is **not an automatic right** of parents/guardians)
- You should not normally take your child(ren) on a leave of absence during the school term.
- **Please do not book your leave of absence until authority is given.**
- Each request for leave of absence will be considered individually, taking into account: the circumstances for the request, the supporting evidence provided, the overall attendance of your child(ren), your child's stage of education and progress and where appropriate both internal and external examinations and assessments.
- If the absence is approved by the Head Teacher you will be advised as to how many days the Head teacher has approved for your child's absence.
- If the school does not agree the absence and you take the leave without permission or your child is absent for more than the agreed number of days the absence will be unauthorised.
- Leave of absence taken without the authorisation of the school may lead to your child(ren) being referred to the Education Welfare Service and the possibility of statutory action and a fine.

In order for your application for absence to be considered, please complete below:

Hillcross Primary School

Being Late Means

If you are late every day in a year, you will lose:

		Days Learning Lost				
		3 days	6.5 days	10 days	13 days	19 days
Arriving at school...	5 minutes late					
	10 minutes late					
	15 minutes late					
	20 minutes late					
	30 minutes late					

Students who arrive late will:

- Miss the teacher giving out messages & information relating to the whole class.
- Miss the teacher's instruction to the class on the work for the morning.
- Be embarrassed by walking into the class when their friends have started work.
- Have less time to complete their work and less chance of good exam grades.
- If your child arrives after the register is closed this will be recorded as an unauthorised absence and may lead to a Penalty Notice fine.
- Older students may miss out on a college place if they have a record of persistent lateness.

Every School Day Counts

Don't let your child miss out on the education they are entitled to – every school day counts!

If you are worried about your child's attendance come and talk to us or contact your Education Welfare Officer on 0208 545 4021.

365 days in each year	190 days in each school year	190 days of education		100% attendance	EXCELLENT	Your child gets off to a great start, giving them the best chance of success at school	Which leaves 175 non-school days a year. That's 175 days of family time for holidays, visits, shopping & appointments.	
		7 days absence	183 days of education		96% attendance			GOOD
		15 days absence	175 days of education		92% attendance	CONCERN		It's harder for your child to make progress, they may feel left behind in class, giving them less chance of success at school
		19 days absence	171 days of education		90% attendance	WORRYING		
		20 days absence or more	170 days or less of education		Any attendance lower than 90%	SERIOUS CONCERN		Your child struggles in class, has trouble making friends and a small chance of success at school. You risk a Penalty Notice &/or court action.

Hillcross Primary School

Parents/carers should be advised that from September 2015 the Government have categorised those pupils who have attendance of 90% and below as 'Persistent Absence' pupils (P.A.).

Hillcross Primary will be specifically targeting this cohort of pupils, in an effort to improve their attendance in the future. The table below shows the learning time lost against percentage attendance figures.

Attendance during one school year	Equivalent days	Equivalent sessions	Equivalent Weeks	Equivalent lessons missed
95%	9 days	18 sessions	1.4 weeks	45 lessons
90%	19 days	38 sessions	3.4 weeks	95 lessons
85%	29 days	58 sessions	5.4 weeks	145 lessons
80%	36 days	72 sessions	7.1 weeks	180 lessons
75%	48 days	96 sessions	9.3 weeks	240 lessons
